

Eamali is Arabic for 'My Career' ...

Eamali allows each student to have their **own portal** which contains links to an online resume preparation area, work experience logbook, My Learning Hub*, and access to the podcast** #notjustmakingthetea! Allowing students to build their own portfolio which can be accessed 'anytime, anywhere, any device'.

A very positive outcome of a work experience placement is that the pupil has a better appreciation of a variety of careers or occupations which can enable them to make more informed future career choices.
