Mind Body Soul

Intentional Self Care ... FREE YOGA!

Worn out. Scattered. Irritable. Stiff and sore. Reactive. Strung out. Overwhelmed. Brain on overdrive. Energy zapped.

If any of those sound familiar, you are definitely not alone.

We need to take good care of ourselves so that we can be our best selves.

SUCCESS SKILLS 101

'Success' however it's defined, takes action, and taking good and appropriate action takes skills.

Success Skills 101 allows each individual to learn and develop at their own pace.

The learning hub* includes access to '10 success topics' and an introduction to the podcast** #notjustmakingthetea.

- Planning for success
- Boost your concentration
- Create your own learning strategies

By developing confidence and an understanding of each of these topics, individuals will find that they are more willing to approach a variety of different 'life situations' with a positive focus - exams, revision, interviews, writing essays and dissertations.
